Harcourt School Publisher	Harcourt Health And Fitness Kindergarten Program	Bunting, et. al	2006	K (K-6)		100%
	Key Features: A balanced program offering solid, up-to-date Health content coupled with a strong skills strand that includes Life Skills, Consumer Skills, and Character Building. The skills are a natural outgrowth of the content, and their direct application to the content forms a natural bridge from the classroom to the real world. Physical fitness is emphasized throughout the program—one complete chapter at each grade level and in the Daily Fitness Tip appearing in each lesson plan. A music CD and a resource binder of activities are also available to support fitness. Support for content-area reading is infused in daily instruction. The focus on six key reading skills, coupled with highlighted vocabulary, a check question at the end of each section, and informative graphics and charts make the book highly readable.

Harcourt School Publisher	Harcourt Health And Fitness Student Edition	Bunting, et.al	2006	5 (K-6)		100%
	Key Features A balanced program offering solid, up-to-date Health content coupled with a strong skills strand that includes Life Skills, Consumer Skills, and Character Building. The skills are a natural outgrowth of the content, and their direct application to the content forms a natural bridge from the classroom to the real world. Physical fitness is emphasized throughout the program—one complete chapter at each grade level and in the Daily Fitness Tip appearing in each lesson plan. A music CD and a resource binder of activities are also available to support fitness. Support for content-area reading is infused in daily instruction. The focus on six key reading skills, coupled with highlighted vocabulary, a check question at the end of each section, and informative graphics and charts make the book highly readable.
